NEAR JACKSON, Madison county, Tenn., To all persons afflicted with Gravel.

Mr. J. F. Cowan:—Dear sir.—I hereby certify that in
the summer of the year 1853, a servant of mine. a boy about 19 years of age, who had always before this time been stout and of a vigorous constitution, was attacked with gravel. A Physician was called who attended on him for several months, during which time he grew worse daily until he was helpless, and I believe would have died in a few days had it not been for a friend, who advised the use of Cowan's Lithontriptic. I pro-cured a few bottles, the first of which gave him renef, and in a short time he was able to walk about, and finally fully recovered; since which time he has had no symptoms of said disease, and to all ampearance is as healthy as any servant on my plantation. I the fore recommend it to all persons suffering under

Cornwell's Half-way House, Bristol Turnpike. Testimony of Mr. Abner Elmes, Market street, above Sixth, corroborative of the efficacy of Williams's Anti-Dyspeptic Elixir. Dr. James Williams:
Dear Sir—It gives me great pleasure to know that

you are again preparing your medicine for the cure of Dyspepsia, for many of my acquaintances have re-peatedly asked me where it could be procured, knowpeatedly asked me where it could be procured, knowing that I had been cured by it. As I think that a public acknowledgement of the great benefit I have received from the use of your medicine, is not only due to you, but may be useful to others, I now make it. For several years I suffered from Dyspepsia, which increased to such an extent that my health and which increased to such an extent that my health and constitution were rapidly sinking under it. I was compelled to restrict myself to the most simple food and even that I could not digest; I felt a loss of strength, disinclination to exercise, and (as you have it in your advertisement) a general feeling of depres-sion and indescribable weariness. In the year 1838, hearing from others high recommendation of your Auti-Dyspeptic Elixir, I procured and used it with the most happy effect; under its influence languer and wearmess gradually passed away, and my appetite revived, which I could gratify with imponity. The years have now elapsed, and my confidence in the curative powers of your medicine has of course in creased, for it completely cured ne, when I failed to obtain relief from any other source.
